Dear Parents,

### Volunteer Readers

Thank you to all our Volunteer Readers who are supporting the children by listening to them read, asking key questions and sharing their own love of reading.

### SCIL TEAM

The SCIL (Supporting Communities Improving Lives) team can provide advice and support on various issues such as domestic violence, health/mental health, education, parenting, crime, housing, debt and benefits. Our aim is to link in with school in order to bridge the gap between education and home life. We can support both children and parents on either a one to one basis or as a collective. SCIL will be running a drop in at school every Tuesday whereby parents can receive advice and support and be signposted to the most appropriate service. Gemma Lane from SCIL will be in school each **Tuesday from 8th January 2019.**
