Valuing

Respecting

Dear Parents,

The Sacramental Programme Celebration Mass will take place this Sunday 21st January at 9.30am at St. Michael's church. It is important that everyone involved in the programme attends. The **Year 2 class assembly** will take place next Wednesday 24th January in the school hall. All parents/relatives are very welcome to attend. Please come into the school hall via the infant playground.

The **Class Mass for Years 3 and 4** will take place next Friday 26th January at 9.15am at St Michael's church. The children are joining the parish for Mass and everyone is very welcome to attend.

Some **PE lessons** during the winter months will take place outside, if conditions permit. All children are welcome to bring in tracksuit bottoms and trainers to wear. Please ensure they are clearly labelled with your child's name.

Mrs Louise Warburton, a parent from our school, is currently studying for her degree. As part of her studies she needs to do research and has asked if parents could kindly help her with this. With today's newsletter is a questionnaire which she needs completing and returning to school in the envelope provided. This exercise is voluntary and all returns are anonymous. Thank you!

If parents have any **concerns about their child** and their education please do not hesitate to get in touch with school. We have an "open door" policy at St Michael's. If I am available I will try and see a parent immediately; if not, an appointment can be made.

To help us stop the spread of viruses we ask that you keep your child off school for **48 hours** (correction from last week) after a bout of sickness and/or diarrhoea. Thank you for your support.

Mrs. F. M. Robinson
